### Addendum: Lodge Visit & Bus Trip Covid-19 Policy

To visit the lodge this season, whether as a drive-up or bus trip stay, all members and guests must be able to show either proof of vaccination or negative Covid-19 test results within 3 days of departure. If this policy changes after publication of this schedule, published updates prevail.

### Bus Trip Sign-Up

- Sign-ups for bus trips are held 6:30 – 7:00 p.m. before the Wednesday night meeting, approximately 2-3 weeks prior to each trip. See schedule on back.
  - Trips are limited to 38 people plus up to six double-bunkers. If more people sign up than the bus/lodge can hold then we go into a defined lottery system. See the CJSC Constitution and By-Laws on the website for more lottery information.
  - Checks only at signup, written out to CJSC (pricing for trips on back page). Checks mailed to captains must be received promptly to confirm a spot.
  - Indicate Old Bridge or Mahwah pick-up on your signup card.
- Do NOT change your mind without notifying one of the Captains.

**Bus Trip Guests** Members of NJ Ski Council participating clubs are welcome to attend our bus trips. We are always happy to have friends, coworkers & family along as guests as well. Talk to the trip captains if you have questions about guests.

- Bus Trips will be opened to guests 14 days prior to the trip departure date (signups will be on the guest wait list until trip opens to guests).
- A guest must accompany a CJSC member OR be a current member of a NJ Ski Council participating club; both pay the guest rate listed on the back.

### Vouchers and Lift Tickets

- Captains will collect money for a group rate ticket on the bus. At signup, please indicate if you already have a lift ticket (via a season pass, Ikon pass, etc).
- CASH is needed for vouchers and group sales lift tickets on the bus. Exact change is appreciated.
- Ask the Captain for details depending on the mountain.
- Always bring your Ski Club Membership Card with a valid sticker and a photo ID; some mountains require you show them.

### Ski, Board and Boot Bags

- We strongly recommend that your equipment be in bags made for that purpose. Equipment is piled together under the bus and the bags will help protect your investment. At times, the bus has to drop us off a ways from the base lodge.

### Packing for a Bus Trip

- Pack light for your weekend trip – you'll be handling your own luggage, and it's often quite tight in the bays of the bus. Include a set of twin sheets, a pillowcase, a towel, toiletry items and flashlight. You'll only need casual clothes at the lodge.

### Bus Trip Pickup Locations

- Old Bridge: St. Ambrose Parish, 96 Throckmorton Lane, Old Bridge, NJ 08857. Throckmorton is off Route 9 in Old Bridge, south of Route 516. St. Ambrose's entrance is a one-way in. Arrive at the church by 6:00 – Bus leaves promptly at 6:30. Park on the right side of the church, back corner, on the far edges of the lot out of the way and as close to other cars as possible.
- Mahwah Pick-up: Crossroads Sheraton – Arrive by 7:00. Directions: Garden State Parkway north to exit 163 onto Route 17N. Exit at Crossroads Blv & Mountainside Ave. (at bottom of hill after the overpass). Go straight to Stop sign, make right, then first left. Then first or second right (look for skiers) and parked cars. Alternate Route: I-287 to Mahwah Exit. Down ramp then straight ahead to stop sign, turn right, go to hotel entrance, go around entry road to 2nd parking lot entrance, turn left into lot and right down the first row.

**Open Weekends** Prior reservations are required for both Lodge & Club members when there is not a bus trip scheduled. You will need to get the lodge door combination from the Reservations Chairperson.

2. A replacement is found. Trip captains assign replacements based on waiting list order.
