

KAYAK TRIP JUNE 12TH

For this year's trip we will do Cedar Creek in Ocean County hopefully with good conditions. We will meet at 9:00AM in the parking lot at F.R.O.G. **1800 Double Trouble Rd, Beachwood, NJ exit 77 GSP going South** turn right after exit it's just up the road, going North take Exit 77 and turn left at light Pinewald/Keswick Rd, turn right at light onto Double Trouble Rd and follow to F. R. O. G on your left. The trip will start at Double Trouble State Park and go along the creek shoot through a bridge (picture above), beach break just after bridge then to the end of our paddle at the old wooden railroad bridge. This is (I hope) a relatively easy paddle that beginners can do. Bring lunch and/or snacks and drinks (**no alcohol on river**). Afterwards we will have a tailgate party in the parking lot BYOEverything, beer/wine is allowed.
