

# Chef Bill Montis is serving Whitefish in Montana

## January 27 – February 3, 2024

# Whitefish Menu

Whitefish boasts the most important asset of all — a ski hill with 300-plus inches of snow every year. It's a ski town, has a beautiful downtown area, fantastic off-piste skiing, and unbelievable views into Glacier National Park. On and off the mountain, the town is primed for good times for both the young and the young at heart. Whitefish Mountain's difficulty level is higher than average but has skiable terrain for every skill level -- 35% of its ski trails are rated as intermediate and another 50% as expert.
